## Reports

### Chairman's report

After the frenetic racing (and race organisation) program of May, June, and July, August has been a quieter month as many Harriers have taken a well-earned holiday. There have been fewer race results, but some notable ones including Norman Bush's Silver at the World Mountain Running Association Championships in Poland. September should be busier with our Ilkley Incline, the XC season starting, and some attractive road and fell races. Our YVAA Road Relays are planned for October 17th, and with the new 5 mile race on November 7th there will be plenty to do for the Club in the coming months.

As this is the last monthly meeting of the Club Committee, I'd like to take this opportunity to thank you all for your very hard work throughout the year - I feel that together we have achieved a great deal this year for the benefit of Ilkley Harriers.
