A big thank you from race organiser Neil Chapman – it was always going to be a hard act to follow last year's race where there was tremendous local support for Ben, but as is always the case Ilkley Harriers were out there supporting a very worthwhile cause in many different ways.

Well done to all the Harriers who came to my aid in putting on the race, as I recognise many of you have lots of other things to do on a Saturday morning. Without naming everyone individually thanks to all those who got out on the streets doing a great job marshalling, recording finishing times, and encouraging the runners, for some the second time helping in a fortnight. Thanks to all who brought some goodies and to Liz and her team doing an excellent job with the catering, which has become an Ilkley Harriers trademark? Other great aspects of the day were our octogenarian Brian Sweet out there marshalling, encouraging runners and taking photos, and the other end of the spectrum, Harriet Jackson one of junior Harriers helping ferry results and involved with the catering. Thanks also to Paul for doing a superb job with the results as always, and for all those involved with the clear up operation afterwards, and to Pete and Geoff who were out there with me in the wind and rain at 7.00 am setting everything up.

Turning to the race, we probably had the best part of the day as it turned out, although the runners probably did not think so with that last one mile headwind to the finish. Thanks to those 40+ Harriers who entered the race, making up more than half the field, and well done to Andrew, Ken and Alison who won their age categories. There were two great winners in James Hall from Wharfedale who won the race overall in 27.22, at only 16 years old, and Emma Raven from Bingley who won the ladies race in 30.03. Whilst we didn't have a huge field, it is pleasing to note we had some runners who had travelled a long way to take part, and several coming back for the second year, which looks good for the future of the race. Finally **Thanks to Complete Runner** for sponsoring the race and providing some excellent prizes.
