Ilkley Moor fell race
 Sunday 24th February 2013
 Senior race AS 8km/401m

Fast times again this year with Tom not far outside the course record (Simon Bailey's 35:31 from 2004, and both Emma and Annabel smashing Emma's record from last year (and Helen only 1 second outside it). Ilkley's men had a good lead in the team competition, the ladies' team competition was closer but with Wharfedale clear of Ilkley and P&B. Thanks again to the many marshals and helpers who cheerfully turned out to make it a great day. Next year is the 25th Anniversary of the race, see you there?

Men's Team 1,7,8,12
