

Organiser's report : Thank you to all of the 80 runners who turned out on what was at times a pretty grim night. We were delighted to see so many of you turning up to do this short but tough race. The conditions were very wet so sadly no records broken this year - both Tom Adams and Emma Clayton (current women's record holder) missed out by just 2 seconds each, but what incredible performances from them both. Performances were amazing across all categories and ages, so well done to you all.

Huge thanks go to all the volunteers who helped make this race possible. This was our first time organising this (or any!) race and we were both nervous about mucking it up! We could not have managed without such strong and capable support. In particular Sarah Hayes, Alison and Nea Weston (registration) John Hayes (tent support and marshalling) Julie, Toni and Lana Melechi (marshalling and finish), Neil Chapman (timing and finish), Rachel Carter (finish), Andy Jackson (finish), Jane McCarthy (results), Shirley and Paul (results), Rob King and Andrew McCarthy (super-quick MTB results delivery service), Jane Bryant and Jacqui Weston (marshalling and support) and Sarah Hayes again (sweeper). If we have forgotten anybody please forgive us!!!

We had some great prizes this year from a bigger spread of generous sponsors - thanks go to the Complete Runner, Ilkley Physio, Fuggle & Golding and Appleyard Lees.

It's been a steep learning curve organising a race for the first time, but hopefully next year will run like clockwork!
