Ilkley Lido Relays 2011 RESULTS

Not the best of days weather wise but as usual when the call comes Ilkley Harriers raise their game and turn out in style, thank you. Morgan and Alison got everyone registered; Eric, Sue and Rebecca kept the traffic at bay while we got on the road and all the marshalls and young Weston kept us safe and going in the right direction, not a nice day to be out there so well done; Diane was on hand to mend our wounds which luckily weren't too many; Neil, Michael, Tony and Malcolm got the timing spot on, a difficult task in a relay and Paul got the results out faster than you could eat your sandwiches! The food was excellent and enough to go round for everyone, Christine, Liz and Jane looked after us all really well and presented us with £66.71 for our charity collection. Then there were the runners, thanks, to Bingley, Otley and the un-attached runners for bringing teams and the Ilkley squads who gave their all, hope you enjoyed it.

Congratulations to all the team class winners, and to Nathaniel Williams and Sally Morley who have set splendid records (beating the YVAA RR records on the same course in 2009 and 2010, Sally actually beating her own record of 18:48 by some 20 seconds). We are going to try and develop this event, as the racing calendar needs a short road relay that is open to all, hopefully our contributions today will set that off.

Finally thanks to Neil Chapman for all his help as ever.
Peter Shields, race organiser.
