

Mob Match!

Vs.

Here are the rules as played to last year

Every Bingley and Ilkley runner (it's assumed that anyone running in the club names will be legitimate members) will be allocated points based on their time relative to the winner's time then scaled for age and gender. The scaling factors are shown here. Whichever club has the fewest runners on the night, that number of runners will be counted for each club (the other club's highest scoring runners counting).

After the success of the inaugural match last year, Ilkley Harriers will be donating a trophy funded by the Phil Dean bequest. So it's all to play for!
